Maybe even better than free.

If only we could, we surely would! On the other hand, using file can actually save you money. You decide who you want to share your files with. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. File is free to use with no gotchas and no hidden fees. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Any file in any format can be uploaded and downloaded for free. Unfortunately, we can't make that part free. Keep your files private, or send your download links only to friends or family. filehosting provides an easy possibility for you to send large files to your friends. Filestransferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Using file, you can circumventthose limits without paying to upgrade your team chat service. It is also allowed to link to the download page from websites and communities. Alternatively youcan choose to share your download links on blogs, forums and social networking sites. We have no file size limit. The cost of that data transfer is covered byyour internet service or the data plan on your phone. You can upload any type of file (movies, music, documents, images, zip files and more). You don't needany special software installed to be able to download your files. You can give this download link to your friends by mail or instant messenger. There are norestrictions on the number of times a file can be downloaded. Simply upload your file and share the link. Why pay storage fees for a file that you just wanted tosend to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. So try our free and simplefilehosting service now. Just upload the file you want to share with your friends and we send you a download link to your file. Files can be downloaded fromany computer from our high speed servers. Our service is completely free for everyone. This is easy, fast and reliable filehosting! You don't need any kind ofpremium-accounts. No account or credit card is required to get started.
