Maybe even better than free.

It is also allowed to link to the download page from websites and communities. Using file, you can circumvent those limits without paying to upgrade yourteam chat service. If only we could, we surely would! On the other hand, using file can actually save you money. Simply upload your file and share the link. You can give this download link to your friends by mail or instant messenger. You don't need any special software installed to be able to download your files. File is free to use with no gotchas and no hidden fees. You can upload any type of file (movies, music, documents, images, zip files and more). Just upload thefile you want to share with your friends and we send you a download link to your file. We have no file size limit. The cost of that data transfer is covered byyour internet service or the data plan on your phone. So try our free and simple filehosting service now. You decide who you want to share your files with.Keep your files private, or send your download links only to friends or family. Our service is completely free for everyone. Why pay storage fees for a file thatyou just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. There are norestrictions on the number of times a file can be downloaded. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file,data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Alternatively you can choose to shareyour download

links on blogs, forums and social networking sites. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts.filehosting provides an easy possibility for you to send large files to your friends. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. No account or credit card is required to get started. Unfortunately, we can't make that part free. When you avoid storing the file you're sending in your cloud storage or mail server. Files can be downloaded from any computer from our high speed servers. Any file in any format can be uploaded and downloaded for free.
