## Book Descriptions:

# Carpet pro vacuum cleaner manual

Check the status of your order, cancel or return items. Please allow 4 business days for your order to be shipped, more info. Stay safe everyone. It was packaged well and arrived quickly. Perfect. OPERATING INSTRUCTIONS FOR CARPET PRO HEAVY DUTY UPRIGHT VACUUMS MODELS CPU1 CPU2 CPU1T CPU2T 1 2 3. 12 Summary of content 12 pages Page 1 OPERATING INSTRUCTIONS FOR CARPET PRO HEAVY DUTY UPRIGHT VACUUMS MODELS CPU1 CPU2 CPU1T CPU2T Before operating the vacuum, please read these instructions completely. This plug will fit into the power outlet only one way. This is a safety feature. If you are unable to insert the plug fully into the outlet, try reversing the plug. If the plug should still fail to fit, contact an electrician to replace the obsolete outlet. Do not defeat the safety purpose of the polarized plug. Make sure that the cord hooks on the handle are positioned to the back of the vacuum cleaner Fig. 1. 2. Line up the small hole on the handle with the small hole on the vacuum cleaner and insert the screw. No manual adjustments are required. The height of the nozzle is instantly and automatically adjusted to carpet pile height. This self-adjusting feature allows the nozzle to float evenly over all carpet pile surfaces. How to Remove the Bottom Plate 1. Place the vacuum cleaner in the low position by pressing the handle release pedal twice. Turn the vacuum over. 2. Remove the two screws holding the bottom plate in place Fig. 1. 3. Remove the bottom plate. Fig. 1 How to Replace the Belt 1. Turn the unit over and remove the bottom plate as described in the above section. 2. Page 10 How to Clean the Nozzle Hose CAUTION Unplug the vacuum cleaner. The nozzle hose, located on the back of the vacuum cleaner, carries the dirt from the nozzle to the vacuum bag. The hose also functions as the attachment cleaning hose on CPU1T and CPU2T models only. If the hose should become clogged

- **carpet pro vacuum cleaner manual, carpet pro vacuum cleaner manual 2016, carpet pro vacuum cleaner manual download, carpet pro vacuum cleaner manual instructions, carpet pro vacuum cleaner manual free.**

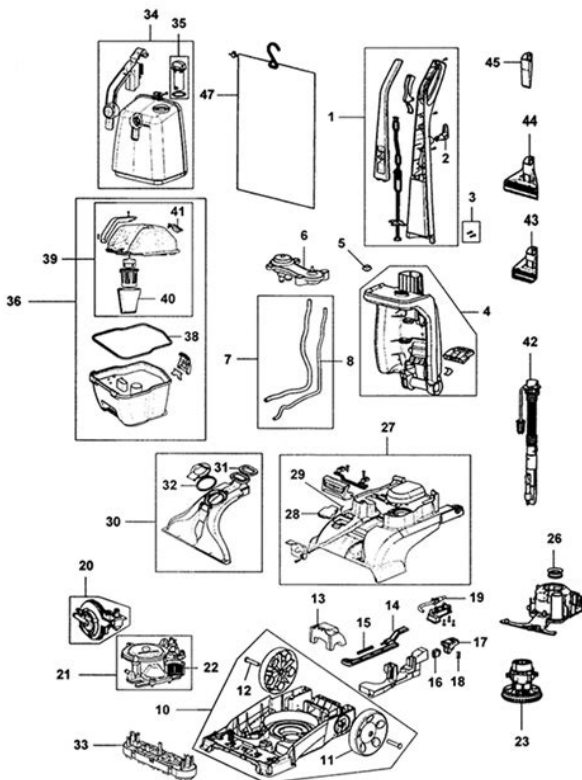

Pull out and turn the lid of the cleaning attachment opening. Remove the clog or blockage Fig.1. 2. If the above step is not enough, remove hose cuff from the attachment port inlet Fig. 2. Page 11 Thermal Fuse Protection Your Carpet Pro vacuum cleaner comes equipped with a Manual Reset Thermal Fuse Protector. This thermal protector is designed to protect your vacuum cleaner from overheating due to a cutoff in airflow i.e. clogged hose, operating the vacuum without a bag. Should this situation occur, the thermal fuse protector will safely shut off your vacuum cleaner to avoid any potential damage. Page 12 Carpet Pro Vacuum Cleaners PO Box 730 Fenton, MO 63026 Should your vacuum ever need service, simply contact the retailer where original purchase was made. 2010 Carpet Pro Vacuum Cleaners. If you have any questions please contact us with assistance placing your order. This powerful 10 amp motor will clean low/medium pile carpeting. Please note that this model does not come with a brush roll height adjustment, and is designed to clean mostly carpeted homes of low/medium pile carpeting. If you have larger areas of hard flooring, we recommend purchasing a hard flooring attachment which will fit on the end of your extension wand. This model comes standard with Carpet Pro base level filtration and paper bags but can easily be upgraded to HEPA filtration or HEPA cloth bags at any time. No timeconsuming rinsing. Remove contact lenses, if present and easy to do. Continue rinsing. Equipped with a 10 AMP motor, the CPU85T easily tackles carpets and more. Corners and hard to reach areas are taken care of quickly and easily with convenient onboard tools that extend to reach six feet. Features a handy cleanout port and thermal motor reset making maintenance a cinch. Included Telescopic Extension Wand Dusting Brush Crevice Tool 2 Filters Specifications Motor 10 AMP Automatic Height adjustment 40 foot, 3 wire SJT cord Cleaning Width 12 inches Generous 6 foot length hose Aggressive brushroll Electrostatic Filtration System Weight 19.8 pounds Product dimensions 34.6 x 15 x 8.8 inches 1 year warranty Designed to last, this vacuum features a metal handle, metal bottom plate, metal brushroll, and an all metal suction motor. With the MotorByPass system, all dirt is directly deposited to the bag, bypassing the motor and ensuring protection of the fan blades. Not only is the brushroll sealed off with rubber end caps, preventing hair and debris from piling up and getting stuck, but is also made using commercialgrade stiff bristles to ensure the best dirt pickup possible. The Carpet Pro comes equipped with a thermal overload on the motor, along with a manual reset, designed to protect the motor and prevent burn out from overload. The CPU2 is also a vacuum of convenience, including an Easy Bag Change System and a commercial grade 40foot cord that gives the freedom to clean extensive spaces. With the Quick Cord Release you have simple, hasslefree cord removal. Lung damaging airborne particles are kept to a minimum with the Carpet Pro CPU2s 4stage electrostatic filtration system which captures allergens, dust, and dirt and prevents recirculation back into the air. The CPU2s foam handle and soft furniture guard will ensure comfort for your hands while keeping your walls and furniture protected.

The combined durability and convenience of the CPU2 makes this vacuum a smart choice for any cleaning job. Also available with onboard tools for abovethefloor cleaning. Designed to last, this vacuum features a metal handle, metal bottom plate, metal brushroll, and an all metal suction motor. The CPU2T is also a vacuum of convenience, including an Easy Bag Change System and a commercial grade 40foot cord that gives the freedom to clean extensive spaces. The onboard tools allow for easy abovethefloor cleaning. Lung damaging airborne particles are kept to a minimum with the Carpet Pro CPU2Ts 4stage electrostatic filtration system which captures allergens, dust, and dirt

and prevents recirculation back into the air. The CPU2T's foam handle and soft furniture guard will ensure comfort for your hands while keeping your walls and furniture protected. The combined durability and convenience of the CPU2T makes this vacuum a smart choice for any cleaning job. The backpack is ergonomically designed with flexible shoulder straps to comfortably clean your entire home or workspace. The SCBP1.2 is an updated model with a more powerful and efficient 10 AMP motor that provides enough power to effortlessly attack any dirt in its path. This Carpet Pro backpack vacuum comes equipped with an array of essential cleaning tools to make your job easier and successful. The 5 foot hose provides ample length to comfortably clean your entire space, and the carpet attachment gives your rugs a thorough clean. Simply attach the floor tool to clean any smooth surface in your home. Perfect for rooms with bare floors and area rugs, it is equipped with onboard cleaning tools making it a perfect choice for small offices and homes. A 10A motor gives you plenty of power to pick up debris. If you can't reach into the corners, the telescopic extension wand, crevice tool and dusting brush will help you clean even the tightest spaces. A headlight helps you illuminate dark places so you can see where you're going.

Keep your space clean with Carpet Pro. Features Metal Brushroll Sealed Off with Rubber End Caps and Metal Baseplate For Increased Durability The Brushroll Uses CommercialGrade Stiff Gold Bristles to Ensure you are Getting the Most Dirt out of your Rugs as Possible CommercialGrade Yellow 40Foot Cord for a Large Operating Radius Metal Handle with a Foam Grip Handle The Foam Prevents Slippage and the Metal Increases Durability Hose Inlet At the Back of the Machine Allowing the User to Insert an Optional Hose and Tools if Ever Necessary The Carpet Pro CPU2 is a true commercial machine and includes many conveniences not found in a typical commercial machine including an Easy Bag Change System and a ByPass Motor System. The Carpet Pro CPU2 also uses a Motor ByPass System which means all of the dirt goes directly into the bag and NOT through the motor. This means you can pick up a nickel or screw and not worry about braking a set of fans which is a common problem in many other commercial machines. Instead of using plastic or

wood for the brushroll or plastic for the baseplate, the Carpet Pro CPU2 uses metal for both part increasing durability and preventing a broken brushroll or baseplate. The brushroll is sealed off with rubber end caps preventing hair and debris from getting caught in the brushroll and melting either the side wall of the machine or the brushroll; a problem commonly found many other vacuum cleaners. The Carpet Pro CPU2s brushroll uses CommercialGrade Stiff Gold Bristles to ensure you are getting the most dirt out of your rugs as possible. The Carpet Pro CPU2 has a hose inlet located at the back of the machine allowing the user to insert an optional hose and tools if ever necessary. The Carpet Pro CPU2 uses a commercial grade 40foot cord so you can plug in once and clean an entire floor in many cases. The cord is heavy duty and yellow so the user is aware of the cord at all times.

<https://www.agence-immotech.com/images/cakewalk-owners-manual.pdf>

To prevent you from spending time unravelling the cord, the Carpet Pro CPU2 has a Quick Cord Release located on the cord hook. This allows for simple hasslefree cord removal. Since the handle takes a lot of stress when used the Carpet Pro CPU2 has a metal handle for increased durability. The User has to be comfortable while using the machine which is why the handle has been fitted with foam for comfort. The Foam also prevents slippage while the machine is in use. The BuiltIn Furniture Guard helps protect furniture and walls if the this vacuum were to ever bump into walls or furniture. Even though parts may look the same, there are often variances in similar parts and it is important to buy parts that fit your specific model. Please try again. Thank you for your understanding and patience during this time. The CPU2 and CPU2T vacuums were built for durability with a metal handle, a metal brushroll and a metal bottom plate. Includes a manufacturers 1year warranty.Built with durability in mind, these vacuums feature a metal handle with a soft foam grip, a metal brushroll and a metal base plate, ensuring years of exceptional cleaning performance. The brushroll has stiff, commercialgrade bristles and rubber end caps that prevent hair and other debris from getting caught. Both models feature a ByPass Motor System that ensures all dirt and particles go directly into the bag and not through the motor. Each model also utilizes an Easy Bag Change System and includes a quick cord release for simple cord removal. They feature a 13inch cleaning path, a 40foot, yellow power cord, a soft furniture guard and 4stage electrostatic filtration that helps to remove pollutants and allergens from your space while youre vacuuming. The CPU2T is equipped with onboard tools for abovethefloor cleaning a twopiece telescopic wand that extends to 34 inches, a dusting brush and a crevice tool. The CPU2T also

features a cleanout port and thermal motor protection for easy maintenance. Both models include a 1year manufacturers warranty.Both models feature a durable, allmetal construction, so they will withstand heavy use in commercial settings. In addition, the CPU2 and CPU2T come with a yellow, 40foot power cord that is highly visible to the operator and others that may be around during cleaning times, ensuring safety. Pluses The Carpet Pro CPU2 and CPU2T commercial upright vacuum cleaners are a great choice if youre looking for a durable and reliable vacuum. These models were built to last, featuring durable, allmetal construction that can stand up to commercial messes. The CPU2 and CPU2T provide for safe vacuuming with their highlyvisible power cord, preventing trips and falls over the cord.

The soft furniture guard will protect your furniture from unexpected bumps by the vacuum. The CPU2T includes onboard tools and an extension wand, making it simple to clean surfaces above the floor. We would recommend both of these models for taking on commercialgrade cleaning tasks. Use of AllergyBuyersClub.com is subject to our Terms Of Service. A We do not ship to any of the 5 US territories. Please help improve this article by adding citations to reliable sources. Unsourced material may be challenged and removed.A vacuum cleaner is a device that uses an air pump to create a partial vacuum to suck up dust and dirt, usually from floors, and optionally from other surfaces as well. The dirt is collected by either a dustbag or a rigid cartridge, which may be emptied and reused. Vacuum cleaners are used in homes as well as in industry, and exist in a variety of sizes and models.Some designs use spinning brushes to reach tight corners.Models includeCanister vacuum cleaners separate their motor and dust collection system. These two components are frequently connected by a hose.Handheld vacuum cleaners typically do not have a bag, rather most have a cup or cylinder for dust collection.Retrieved 20200416.
